

\$7,500 1L Diversity Scholarship

We believe that a diverse workforce provides better service to our clients and a better work environment for our attorneys and staff. We have thus made recruitment, retention and promotion of attorneys who add to our overall diversity, including attorneys of color and underrepresented groups, a priority for our firm.

To help us meet our commitment to diversity, we have established the Davis Wright Tremaine 1L Diversity Scholarship Program. This year, we will offer two scholarships (one position in our Seattle office and one position in our Portland office), which consist of a paid Summer Clerkship and \$7,500 for the student's second year tuition and expenses.

Criteria

The Diversity Scholarships are open to all first-year law students of color, or others of diverse backgrounds, who:

- Have a record of academic achievement in both undergraduate school and the first year of law school that demonstrates promise for a successful career in law
- Are committed to civic involvement that promotes diversity and will continue that commitment upon entering the legal profession
- Will commit to becoming a Summer Associate in our Seattle or Portland Office between their first and second years of law school
