

**QUESTION:**

**Where can I live while I'm  
interning in New York City?**

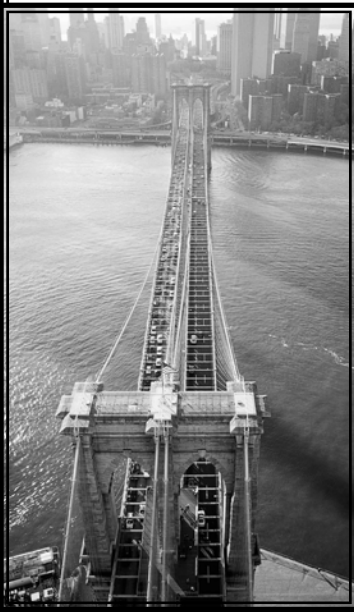

**ANSWER:**

**Educational Housing  
Services**

Educational Housing Services is a not-for-profit organization that provides safe and affordable housing to students and interns in New York City. EHS manages multiple properties throughout New York City and Brooklyn, and is a great housing option for interns that require short term accommodations.

EHS offers the opportunity to live in a community of your peers, since their buildings are for **students and interns ONLY**. They also offer activities and events which give you the opportunity to meet people from across the nation and around the world.

Although the accommodations in each of the buildings vary slightly, all of the buildings managed by EHS provide the following:

- 24/7 Security staff
- 24/7 Residence staff
- Fully furnished rooms with A/C
- Free high-speed internet access
- Free cable and a color television
- All utilities included

\*\*\* Computer centers, laundry facilities, kitchens and lounges are also onsite.
